

Applicant hereby elects mangostin, the formula for which is set forth in the specification at page 6, lines 6 to 9.

Applicant also hereby elects treating of dermatological signs of aging as the method of use.

These elections are made with traverse. Applicant submits that examination of all the claims in this application is not deemed to present an undue burden on the Examiner with respect to searching, especially since they should be classified in the same class and the same or corresponding subclasses.

Allowance of claims 1 to 33 is earnestly solicited.

Respectfully submitted,

Dated: July 28, 2003
